283-9062

A close-up photograph of a person's feet wearing brown hiking boots with red accents, walking on a dirt path covered in fallen leaves in a forest. The background is a soft-focus green forest.

It is estimated that over 70% of the women who come to our centers have experienced sexual trauma, abuse or misuse. This 10 week women's class shares steps you can take toward sexual health, hope and wholeness.
